

LISMORE CASTLE

LISMORE, IRELAND

COORDINATES – N 52° 08.396, W 007° 55.966

Lismore Castle sits at the heart of a one of the most beautiful, historic privately owned estates in Ireland—and is available for exclusive rent throughout the year. Located in the southern county of West Waterford, this is the perfect choice for a super-exclusive house party, the castle consisting of 15 bedrooms and 14 bathrooms. Unlike so many Irish properties of this size, the property is dearly loved, with every comfort accounted for; understated elegance and old-fashioned luxury therefore emanate from every pore. A personal butler and his team look after guests, offering a unique level of personal attention, luxury and service. The ground floor has a drawing room, two sitting rooms, dining room (seats up to 24), hall and Banqueting Hall (seats up to 80). Fine food is the highlight of any guest's stay, with chefs using locally sourced and home produced ingredients, everything made from scratch in the Castle kitchens.

Q INSIDER: Lismore Castle boasts a superb concierge service to help guests plan and arrange every aspect of their trip from helicopter transfers, to private yoga classes as well as tennis, fishing, golf, guided tours of the lovingly maintained private gardens and Lismore's world-class art collection.
